

## **MARKET NOTICE**

***HUPX IDM Intraday Market***

**Iktatási szám / Notice #:** HUPX-MN-IDM-2025-0022

**Dátum / Of:** 23/06/2025

**Tárgy / Subject:** *Modification of Intraday Market Order bandwidths*

## 1 Modification of Intraday Market order bandwidths

HUPX Ltd. according to the Fee Schedule, with this Market Notice **increases the number of order events in one order bandwidth** and **extends the order bandwidths with one additional bandwidth**, as defined below from effective date **1<sup>st</sup> July 2025**:

- **0-10 000** order events per trading day: **included in system fee.**
- **Bandwidth 1: 0 – 45 000 order events** per trading day: **250 EUR / month**
- **Bandwidth 2: 0 – 80 000 order events** per trading day: **500 EUR / month**
- **Bandwidth 3: 0 – 115 000 order events** per trading day: **750 EUR / month**
- **Bandwidth 4: 0 – 150 000 order events** per trading day: **1000 EUR / month**
- **Bandwidth 5: 0 – 185 000 order events** per trading day: **1000 EUR / month**

Order events and the technical limit are still defined in the HUPX Technical Requirements (Annex II of the Market Rules).

HUPX Ltd. provides daily reports on the use of these bandwidths for the Members on the sFTP server.

According to the Fee schedule, valid **from 1<sup>st</sup> January 2025**, **exceeding the pre-ordered bandwidths at least two times in a month will result in invoicing twice the exceeded bandwidth fee.**

Ordering the bandwidths will be possible via [membership@hupx.hu](mailto:membership@hupx.hu), while invoicing will be included in the monthly invoices of HUPX IDM membership.
