

Data Processing Notice related to the CerQlar – HUPX GO webinar 2024 Q3: Risk management and market developments

HUPX Hungarian Power Exchange Company Limited by Shares (registered office: 1134 Budapest, Dévai u. 26-28, company registration number: 01-10-045666, tax number: 13967808-2-41, contact: info@hupx.hu, hereinafter as: “**Data Controller**”) shall describe the data processing actions implemented in relation to the CerQlar – HUPX GO webinar 2024 Q3: Risk management and market developments in Microsoft Teams Webinar environment (“**Workshop**”) in this Data Processing Notice (hereinafter as: “**Data Processing Notice**”).

This Data Processing Notice was prepared in line with Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (hereinafter as: **GDPR**), with due consideration of the provisions of Act CXII of 2011 on Informational Self-determination and Freedom of Information (hereinafter as: “**Information Act**”) as well, and the terms and expressions used herein shall be interpreted according to the definitions specified in Article 4 of the GDPR, and – in certain Sections – in Article 3 of the currently effective Information Act.

As data subject, you may at any time request detailed information on the processing of your personal data or access your personal data, request their rectification, erasure or restriction of their processing, and may object to the processing of personal data and exercise your right to data portability. Please be informed that you have the right to withdraw your consent at any time.

In the event you disapprove of the processing of your personal data by the Data Controller or would like to receive more detailed information about processing of your personal data, you may contact the Data Controller directly by sending your request to dataprotection@hupx.hu. Should you have any complaints, you may contact directly the Hungarian National Authority for Data Protection and Freedom of Information (address: 1055 Budapest, Falk Miksa utca 9-11., mailing address: 1363 Budapest, Pf.: 9. E-mail: ugyfelszolgalat@naih.hu, website: www.naih.hu) or refer your case to court (regional court) in order to protect your data, and the court will address your case in an accelerated procedure.

Please find below the key provisions related to the processing of your data. This Data Processing Notice provides information only and exclusively in terms of the aforementioned CerQlar – HUPX GO webinar 2024 Q3: Risk management and market developments online workshop. For more detailed information about your rights as data subject, the way these rights can be exercised and the legal remedies, please read by all means the Data Processing Notice available on the Website of the Data Controller (<https://hupx.hu> menu item titled “Data Protection”)!

Data processing related to the Workshop

We're inviting market participants to gain insights into leveraging this exciting addition to the electricity market design. As the driving force behind this initiative, CerQlar will share updates on its expectations.

1. Registration for the Workshop

Purpose of data processing	To register and enable the participation in the Workshop, to send relevant notifications before the event and to send workshop proceedings after the event.
Scope of processed data	Participant's name, position, company, country, e-mail address
Scope of data subjects	Persons registering for the Workshop
Legal basis of processing	Consent from the data subject as per Article 6(1)(a) of the GDPR.
Time limit for data storage	Until the consent of the data subject is withdrawn.
Method of data processing	Electronically.
Source of the data	Data collected from the data subject.
Possible consequences of failure to provide the data	The provision of personal data shall be a precondition of the registration, therefore if the data subject fails to provide the data to the Data Controller, the Data Controller will not be able to conduct the selection process in terms of the data subject.
Automated decision-making and profiling	The Data Controller does not perform any automated decision-making or profiling.
Who can access the personal data?	The Data Controller's competent co-workers and CerQlar's competent co-workers.
Data transfer to third countries or to international organisations	No data are transferred to third countries or to international organisations.

2. Recording the Workshop and publication of the recordings

Purpose of data processing	To record the Workshop and publish it on HUPX group social media channels (LinkedIn and Youtube) and on official website (www.hupx.hu).
Scope of processed data	Participant's full name or its abbreviation on the screen, voice and/or face
Scope of data subjects	Persons participating in the Workshop
Legal basis of processing	Consent from the data subject as per Article 6(1)(a) of the GDPR.
Time limit for data storage	Until the consent of the data subject is withdrawn. Possible withdrawal does not affect the previous legal ground of data processing.
Method of data processing	Electronically.
Source of the data	Data collected from the data subject.
Possible consequences of failure to provide the data	Initials, abbreviations or false names may be used instead of full/real name on the screen. However, questions or other active contribution may only take place after the consent of the data subject to the data processing.
Automated decision-making and profiling	The Data Controller does not perform any automated decision-making or profiling.
Who can access the personal data?	The Data Controller's competent co-workers.
Data transfer to third countries or to international organisations	No data are transferred to third countries or to international organisations.

3. Subscription to newsletter

Provisions of data processing in relation to subscription to newsletters are included in our Privacy Policy, which is available on the website of the Data Controller (<https://hupx.hu> menu item titled "Data Protection")
