NECS STEPS
for the
HUPX GO Market

MAIN FOCUS OF THE PROJECT : BRING MORE LIQUIDITY TO THE MARKET

Sell orders and Demand orders on HUPX GO market
2023 Q3 - 2024Q3

TO DO LIST

1. increase the supply side
2. increase the liquidity

70 Members

- 43 non-HU Members
 - registry account outside MEKH in most cases
- 27 HU Members

NECS registry account helps our foreign Members to become a seller on the Market

NECS

STEPS

HUPX has signed a contract with Statnett in order to extend its registry accounts

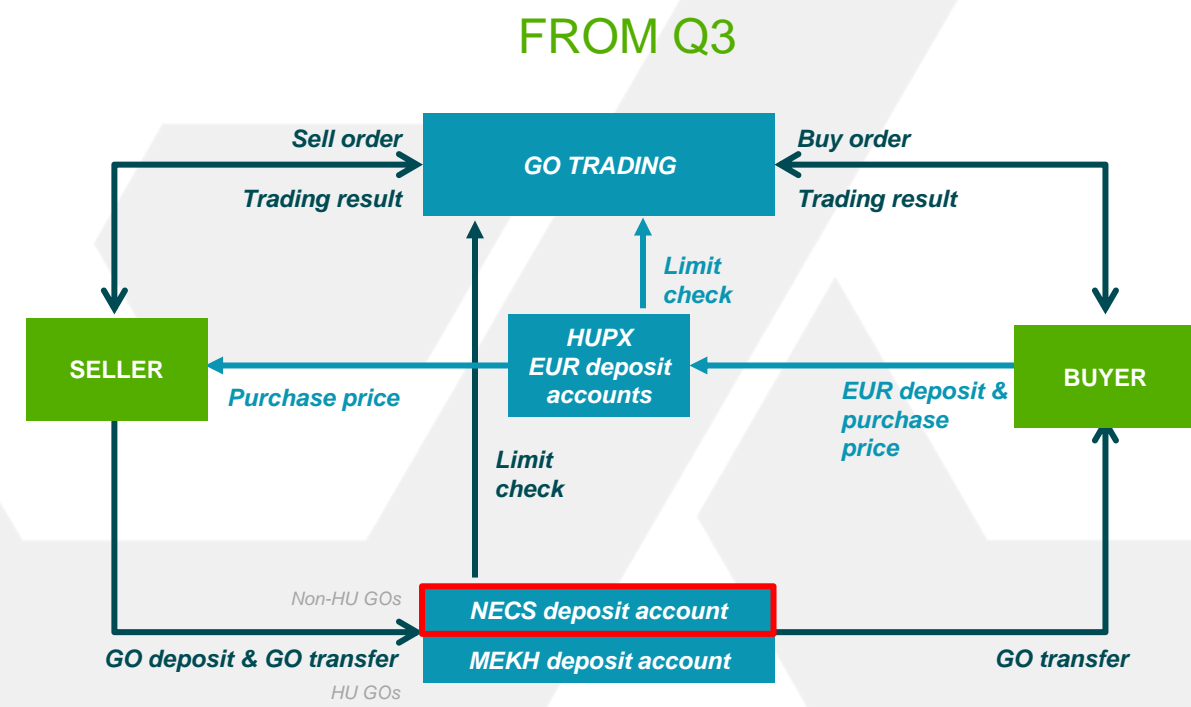

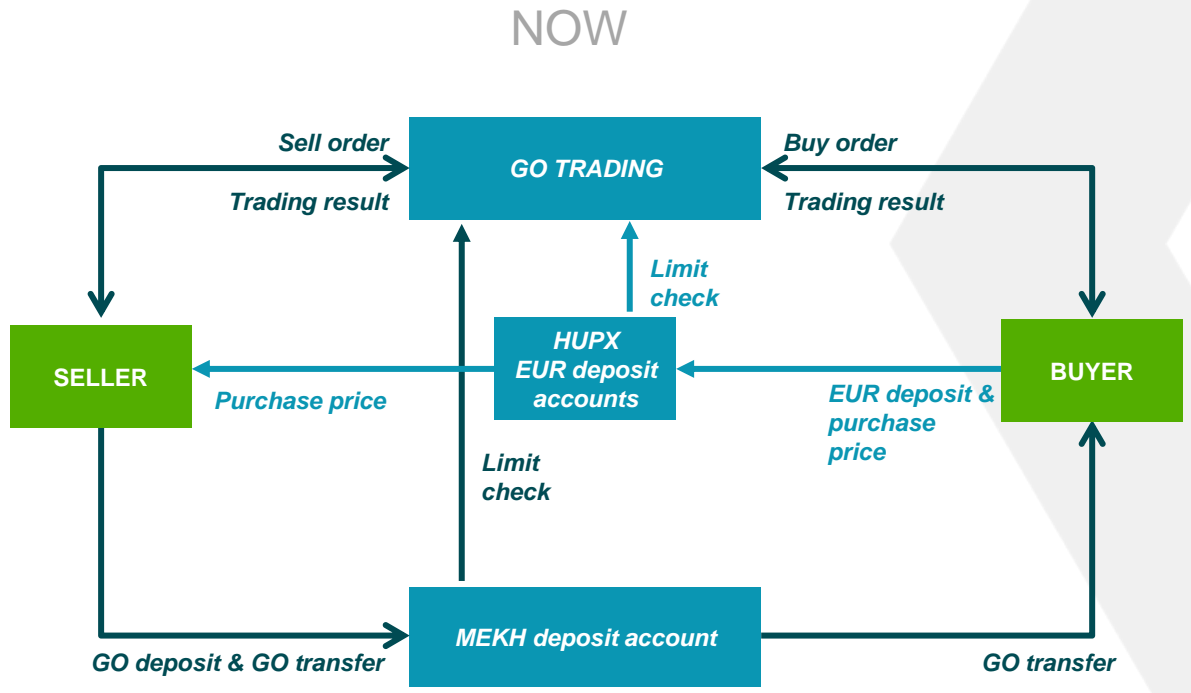

HUPX has opened an account in the NECS register

HUPX opens a NECS registry sub-account for each Member in addition to the current (MEKH) one

From Q3, all Members will be able to transfer GOs to the NECS registry sub-account

PRE-PAID SELF-CLEARING AND SETTLEMENT MODEL

- One option for the sellers: sending the GOs into the MEKH registry
- Paying export and import fees after the transfers
- Convenient for HU members who have their own registry account at MEKH, but not so convenient for non-HU members who have registry account at other AIBs

- Two options for the sellers: sending the GOs into the MEKH or into the **NECS registry**
- No export and import fees: new, lower registry transfer fee will be introduced
- Convenient for both HU and non-HU members, regardless of the fact at which AIB the registry account is opened

WHAT TO DO AS A MEMBER?

CHECK YOUR EMAILS

All Members will receive a document about its current, active accounts, opened by HUPX (OTP subaccount, MEKH registry account and NECS registry account)

PRESS: CONFIRMED

There will be a confirmation button in the email. With pressing it, you confirm that you have received your new NECS registry account, without having to sign and return any contracts or forms
