## 1 Modification of Technical Requirements

HUPX informs the Members referring to Market Rules section 1.1.5. about the **modification of Technical Requirements** (Annex II of HUPX Market Rules).

With this new version, HUPX increased the maximum message number on the Intraday Continuous Market:

- HUPX Member is allowed to execute **maximum 185,000 order events** per Trading Day, unless a higher limit is specified in a Market Maker and/or Liquidity Provider Agreement with HUPX, applicable to fulfilling the obligations of that agreement,

The updated annex is effective from 1st July 2025.
