1. Introduction

Dear member,

The Trade on Behalf (ToB) process aims to be a supporting tool when isolated issues occur disrupting your connection with the ETS system. In this case, you can download the excel forms from our website for the respective auction from this link: [here](#) for the Day-Ahead Market and [here](#) for the Intraday Auction Market

This procedure is giving all the details and steps to be followed for ToB process.

(it can be found on our website [here](#) for the Day-Ahead Market and [here](#) for the Intraday Auction Market.).

The ToB process is meant to be operated on a best effort basis.

Firstly, please send us via email your forms filled in, then call the Market Operations Department immediately. The goal is to be sure that your request will be treated with high priority.

This procedure is available for SDAC Auction and PAN European Intraday Auctions 1, 2 & 3.

2. Business process

Below you will find the instructions on how to fill in the form and how to send it to Market Operations Team for validation.

The form has to be sent 15 min before the gate closure time at the latest. After that time, orders will only be accepted on a best effort basis.

Exception :

For PAN EU IDA2, the deadline to receive a ToB request is 20:00.

After 20:00 any ToB received will be processed on a best effort basis.

HUPX's members must send us by email the form as soon as possible, in order to be processed smoothly and on due time.

2.1 Download the excel forms from HUPX website

Use only the file available on HUPX website to request the ToB process.
